

FARM DISPERSAL SALE

Bank Farm, Tiverton, Tarporley
 Saturday 14th March 2020
 On behalf of PS & BM Crossley

Last Saturday saw a massive crowd attend the Farm Dispersal sale at Bank Farm, Tiverton where approximately 700 lots came under the hammer for a good traditional farm sale.

With the weather being unsuitable for field work to be undertaken a huge attendance resulted with many taking the opportunity to catch up and chat with friend's, neighbors and acquaintances on what proved to be a dry day.

Fantastic trade resulted with buyers from as far as Northern Ireland and adjoining counties to Cheshire.

A total of 139 buyers attended.
