

## **ROSTONS COLLECTIVE MACHINERY SALE**

**THURSDAY 20<sup>TH</sup> FEBRUARY 2020**

### **COLLECTIVE SALE OF CONTRACTORS PLANT, FARM IMPLEMENTS, MACHINERY, TRACTORS, TELEHANDLERS AND VEHICLES**

**AT WOODSIDE FARM, NORTHWICH ROAD, DUTTON, WARRINGTON WA4 4LJ**

The collective sale of tractors, trailers, farm implements, contractors plant and equipment held on Thursday 20<sup>th</sup> February 2020 and was extremely well attended given the horrendous weather conditions which were experienced at the site. Despite the rain, the strong winds, the occasional bursts of hail and freezing temperatures over 350 lots were put under the hammer.

Chester based Rural Surveyors, Auctioneers and Valuers Rostons took a new approach to the traditional Farm Dispersal and Collective Machinery Sale style. No buyers premium was charged and anyone thinking of buying did not need to worry about any hidden extras.

Rostons were very pleased with how their first Sale went, support from both Vendors and Purchasers was encouraging and people travelled, with bidders from Ireland and the North of England. Top prices were as follows:
