

Sale Report Farm Dispersal Sale

New Hall Farm, Millington, Altrincham

For S Pennington & Son

The recent farm sale conducted by Rostons at Millington, near Knutsford, on behalf of David Pennington saw a good crowd with bidders travelling from a wide distance or bidding on the phone, to realise premium values for a good range of well maintained arable and stock equipment.

The trade saw some items via a frenzy of on farm and phone bids, head across the water to Ireland. Other bidders were from the North of England, the Midlands and South West, with one of the tractors being bought to go to a farm in Worcestershire being driven home by the successful buyer.

Further sales are booked through the summer months, but if you are considering a change of farming system, retirement or just a general tidy up, then please contact the Rostons team for an informal confidential discussion as to how we can assist you with either our on farm sales or online sales.
